

ROOM ROME

Room Rome is a fully equipped conference room with top-of-the-range technical material. The room has 600 fixed tablet armchairs with integrated electrical outlets (one every two seats). This space offers a magnificent view on the Beaulieu gardens, the Alps and the Cathedral of Lausanne.

The auditorium is located at the entrance of the second floor of the building and has a direct access to the foyer «Forum». The foyer can be used for coffee breaks, banquets, aperitifs and exhibitions.
