LAUSANNE

ROOM H35

Room H35 is a temporary room in a stately industrial-style hall. This room, located in the exhibition hall «Sud», is equipped with advanced technical equipment that allows it to host both conferences and gala evenings. This large space can be partitioned to ensure a warm atmosphere for smaller events.

An adjoining foyer of 1,000 sq.m. can accommodate a catering area or an exhibition space. Room H35 has several logistical access as well as a glazed visitor entrance door overlooking the site's gardens.
