

HALL 6-7

Hall 6-7 is a multi-purpose space of 5,400 sq.m situated on the ground floor of the Congress and Exhibition Center. The hall has a direct access from the main hall and a private outside entrance.

Events organized on a regular basis are general meetings, exhibitions, sporting events or even corporate evenings.

Ideally located in the main building, the Hall 6-7 has a direct access to the hall 1 and the conference rooms Sydney and Seoul. The combined use of these two halls is ideal for events offering exhibition spaces and conferences.

The rooms Turin and Londres are located on the first floor of the main building. Some of them have a view on the Hall 6-7 and are regularly used as VIP spaces or technical rooms for the events hosted in the hall.
