

FORUM

Pleasant area of 847 sq.m. with natural daylight, the Forum can accommodate up to 600 people for cocktails or coffee breaks. The Forum is also used for exhibitions during congresses or corporate events.

Its central situation facilitates the networking and the participants flow during your events. It benefits from a direct access to the main elevators and staircases. The Forum has three different offices which can be used as staff offices, storage rooms or business center. A choice of mobile equipment allows you to create a cloakroom, welcome or work area for the participants.
